1) The following change was made and provided in December of 2002: Tab 4, page 25. Under Packaging & QA Provisions for Cid A-A-20336, on page one of document, under C. <u>Dry product.</u>, add: "(4) <u>Microbiological</u>. The Salmonella test shall be negative per 25 grams of product."

The following change was not included with above change and should be added at this time:

QA&Pkg, page 6, E-5, B, add: "(4) Microbiological testing. Five filled and sealed pouches shall be selected at random from the lot regardless of lot size. The pouched product shall be individually tested for Salmonella in accordance with the Official Methods of Analysis of the AOAC International, method 986.35, 996.08, and 2000.06 D©. Verification will be conducted through actual testing by a Government laboratory. Any result not conforming to the microbiological requirements shall be cause for rejection of the lot."

2) The following change applies to the Crackers, Plain and Vegetable Technical Data that appears on Tab Four, Page 16 of the Assembly Document (Green Book).

Insert 8920-00-149-0795 in place of "8925-00-149-0795".

- 3) Reference Solicitation SP0300-02-R-7049; Tab 4; page 5; Unitization; line 2; delete: "Unit load height shall not exceed 43 inches." and substitute: "Maximum unit load dimensions shall be 44.75 inches in length, 52 inches in width, and 43 inches in height (including pallet and cap). A plus tolerance of 1 inch allowed for height dimension.
- 4) Reference Solicitation SP0300-02-R-7049; Tab 4; page 5; Unitization; line 2; delete: "Unit load height shall not exceed 43 inches." and substitute: "Maximum unit load dimensions shall be 44.75 inches in length, 52 inches in width, and 43 inches in height (including pallet and cap). A plus tolerance of 1 inch allowed for height dimension.
- 5) Tab 2, page 6: MIL-PRF-44073F, page 5, <u>TABLE II. Filled, sealed and thermal processed pouch defects</u>, add: "105" under category <u>Major A</u>. Add "Pouch labeling is missing, incorrect or illegible.", under Defect to correspond with new defect number.
